Thanh Hoa, April 29, 2026

Ref: Explanation of profit on the
Consolidated Financial Statements Q1/2026

To: - State Securities Commission
- Ha Noi Stock Exchange

Implement the document of the Hanoi Stock Exchange regarding the periodic information disclosure of listed companies.

Bim Son Cement Joint Stock Company (Company) would like to explain the fluctuation of profit in the Consolidated Financial report for the Q1/2026 as follows:

The net profit after-tax of Bim Son Cement Joint Stock Company in Q1/2026 negative return 11.59 billion VND, increased by 48.8 billion VND compared to Q1/2025, mainly due to the following reasons: sales revenue increased 13.44% (equivalent to 103.69 billion VND); cost of goods sold increased 7.05% (equivalent to 52.62 billion VND); other income decreased 29.24% (equivalent to 0.12 billion VND); financial income increased 135.69% (equivalent to 0.43 billion VND); selling expenses increased 13.38% (equivalent to 5.64 billion VND); administrative expenses decreased 0.76% (equivalent to 0.23 billion VND); other expenses decreased 74.24% (equivalent to 3.55 billion VND); and financial expenses decreased 3.76% (equivalent to 0.31 billion VND). However, in Q1/2026, the increase in sales revenue, financial activity revenue and the decrease in financial expenses, management costs, and other expenses were greater than the increase in cost of goods sold, selling expenses and other income decreases.

Therefore, the after-tax profit in Q1/2026 increased compared to the after-tax profit in Q1/2025.

Thank you and best regards,
